Promoting Outstanding Achievement for all

INTRODUCTION

Regular school attendance is important. Pupils need to attend regularly if they are to take full advantage of the educational opportunities offered to them in law. The Russett School sees maximising pupil attendance as a key aim. We actively pursue the goal of regular attendance, both in relation to individual pupils and for the school as a whole.

PARENT PARTNERSHIP

Section 7 of the Education Act 1996 requires that the parent/carer of every child or young person of compulsory school age shall ensure that their child attends school to allow them to receive efficient, full time education suitable to their ability and aptitude.

Parents are primarily responsible for ensuring that children attend and stay at school.

It is the responsibility of school to support attendance and to take seriously any problems, which may lead to non-attendance.

It is the responsibility of the Local Authority to ensure that parents meet these responsibilities.

Head Teachers are required to inform the Local Authority Education Welfare Officer if a pupil fails to attend school regularly, or has been absent for a continuous period of ten days and the absence is treated as unauthorised.

It is the responsibility of the class teacher to monitor pupil attendance.

Head Teachers can notify the local authority Education Welfare Officer if there are areas of concern.

Parents should ensure that their children arrive at school on time, properly attired and in a condition to learn.

REPORTING ABSENCES

It is parents/carers responsibility to inform school of the reason for a child's absence as soon as possible. We expect parents to contact school by telephone, e-mail or letter on the first day of absence. Where a child is ill, we should be notified of the nature of the illness and, when this can be predicted, the date that the child is able to return

PUPIL REGISTRATION

Legally, we are required to maintain two registers: an Admission Register (known as the School Roll) and an Attendance Register. The Admission Register contains a list of all pupils at the school.

Promoting Outstanding Achievement for all

An entry is required to be made in the attendance register for all pupils of compulsory school age (5-16yrs) who are on the School Roll. At The Russett School, we register all pupils' attendance.

In line with The Education (Pupils' Attendance Records) Regulations 1991. The Russett School maintains an attendance register, on which, at the beginning of each morning and afternoon session, pupils are marked:

- present
- engaged in an approved educational activity away from the school site
- or absent.

If the pupil is absent, the register must say whether or not the absence has been authorised by school. (Guidance for Local Authority and schools on Behaviour and Attendance)

Authorised absence is absence with permission from the school or other authorised representative of the school. This includes instances of absence for which a satisfactory explanation has been provided e.g illness.

Unauthorised absence is absence without permission from the school or other authorised representative of the school. This includes all unexplained or unjustified absences. The categories of authorised and unauthorised absences are explained in the Guidance for Local Authority and schools on Behaviour and Attendance.

SCHOOL POLICY

At The Russett School we encourage parents to be partners with school in the education of their children. We see monitoring and controlling school attendance as a key part of our school objectives.

We have a clear policy on attendance in place, which is known to staff, pupils and parents/carers.

IMPLEMENTATION

We will ensure that:

Pupils are registered accurately and efficiently.

Attendance targets are set for the school.

Parents or guardians are contacted when reasons for absence are unknown or unauthorised.

Pupil attendance and lateness is monitored regularly.

School attendance statistics are reported.

Pupils will be encouraged to -

Attend school regularly.

Inform staff if there is a problem that may lead to absences.

Promoting Outstanding Achievement for all

Parents/Carers will -

Encourage good attendance

Inform the school on the first day of non-attendance

Discuss planned absences with the school in advance (e.g hospital and hospice stays, extended pupil leave in a country of heritage)

If a child does not attend regularly, parents should work closely with the assigned Education Welfare Officer, to resolve the problem.

Since March 2001, parents found guilty of school attendance offences could be subject to a penalty of up to £2,500 fine and/or a period of imprisonment for up to three months.

We encourage a good working relationship with parents by regularly publishing the arrangements for notifying absence and the school's policy towards authorised absence.

TERM TIME LEAVE

Following the September 2013 amendment to The Education (Pupil Registration) (England) Regulations 2006, Executive Head Teachers no longer have the discretion to authorise holidays during term time. Leave during term time will only be authorised in exceptional circumstances.

Parents must complete a Request for Leave of Absence form in advance, which will then be considered by the Executive Head Teacher. Any requests for leave during term time will be considered on an individual basis and the pupil's previous attendance record will be taken into account.

If term time leave is not granted, taking a pupil out of school will be recorded as an unauthorised absence and may attract sanctions such as a Penalty Notice.

RECORDING AND REPORTING

Each year, every school is required to submit Absence data to the DfE. Schools are required to inform how many days were missed due to authorised and unauthorised absences.

If term time leave is not granted, taking a pupil out of school will be recorded as an unauthorised absence and may attract sanctions such as a Penalty Notice.

At the end of each academic year, school will report to parents the actual attendance of their child, including authorised and unauthorised attendance. A copy will also be retained on the pupil's file.
